Dear Parents,

Transportation Service-Academic Year 2015-2016

Please find attached an enrolment form and a School Transportation Terms and Conditions leaflet for your consideration. The School Transportation Service is an efficient and cost-effective means of ensuring that your child can travel to and from school safely and punctually. We have worked closely with Montri Transportation for a number of years to ensure that we deliver a high quality and reliable service to our students and parents.

Please read the attached information carefully. In conjunction with Montri Transportation we are trying to make our services more equitable and efficient. In particular, we would like to note the following:

- **No wait policy**- in order to ensure that your child and other students arrive to school/home promptly, buses will depart from the arranged departure points at the specified times. We would greatly appreciate your cooperation with this to ensure fairness to **all** passengers.
- **Fare Zoning**-in order to ensure that charges for the transport services are fair, zoning has been introduced. Please see the attached sheet for more information on the zones and fares.

New routes can be opened if there are five or more students living in an area. We have worked with Montri Transportation to ensure that we cover as many different areas as possible whilst keeping costs to a minimum for our parents.

If you have any queries, please do not hesitate to contact Khun Ann Phaewprayoon (Administration Services Liaison Manager) (phatrakul_p@harrowschool.ac.th or Tel:02 503 7222 ext 1102)
